	Micro/Slurry Seals - Local case studies, Materials, Design, Equipment, Construction and Inspection	Doug Olsen, Western Emulsions Jimmy Kendrick, Bergkamp Cesar Lara, Telfer Santiago Llamas, ISSA Matt Powlison, Oregon City Brett Sonntag, Pierce Co.
<b>Tuesday, October 17, 2017</b>		
7:00am - 4:30pm	Registration and Information	
7:00am - 9:00am	Breakfast	
8:00am - 5:00pm	Vendor Exhibits Open	
8:00am - 9:15am	Conference Kickoff/Preview/ The Old, the New and the Missing in Pavement Asset Management	Tim Leavitt, Mayor, City of Vancouver Ryan Miles, NWPMA Chair Ralph Haas, University of Waterloo
9:15am - 9:25am	Break	
9:25am - 10:25am	Map 21	Linda Pierce P.E. , NCE
10:25am - 10:45am	Break	
10:45am - 11:45am	Customizing your Pavement Preservation Toolbox	Jason Lampley, Intermountain
	Direction of GIS Technology for Managing Road Networks	John Sharrard, ESRI
<i>Vendor Presentation</i>	Cold Paving - A New Wave	Andy Clayton, Blue Line Transportation
11:45am - 1:00pm	Lunch	
1:00pm - 2:00pm	Pavement	John Hickey, APAO
	City of Vancouver - Experience with Pavement Preservation Tools	Ryan Miles P.E. , City of Vancouver
<i>Vendor Presentation</i>	Pavement Preservation Theory/Strategies - Telfer Services	Cesar Lara and Austin Cantalini, Telfer Pavement Technologies
2:00pm - 2:10pm	Break	
2:10pm - 3:10pm	Fiber Reinforced Asphalt	Lon Frey, Alliance Geosynthetics
	Project selection, design, and construction for preservation applications of thin overlays	Lindsi Hammond, P.E. , GRI
<i>Vendor Presentation</i>	Sidewalk & ADA Ramp Assesments 101	Jim Tourek, IMS Infrastructure Management Services
3:10pm - 3:30pm	Break	
3:30pm - 4:30pm	Bonded Wearing Course Update	Steve Olsen, California Pavement Maintenance Co.
	How to Talk to Commissions and Councils	Linda Pierce P.E., NCE
<i>Vendor Presentation</i>	Multi-layer Strategies and Advances in Slurry and Micro	Jon James and Matthew Ferguson, VSS International
4:30pm - 6:30pm	Networking Social	

Wednesday, October 18, 2017		
7:00am - 4:30pm	Registration and Information	
7:00am - 9:00am	Breakfast	
8:00am - 5:00pm	Vendor Exhibits Open	
8:00am - 9:00am	Maintenance Part I	Kim Willoughby, WSDOT
	Federal Lands Access Program	Neal Christensen, FHWA
<i>Vendor Presentation</i>	5 Reasons Why Hot In-Place is a No-Brainer	Patrick Gallagher, Gallagher Asphalt Corp.
9:00am - 9:10am	Break	
9:10am - 10:10am	Crack Seal and Mastic Test Procedures	
	WSDOT Practices for Pavement Preventive Maintenance Part II	Kim Willoughby, WSDOT
<i>Vendor Presentation</i>	Unique Paving Materials	John Bischoff, UNIQUE Paving Materials Corp.
10:10am - 10:30am	Break	
10:30am - 11:30am	Outdoor demonstration - How to make winter repairs of potholes using innovative hot-pour products	Special Asphalt Products
	Maintenance versus Environmental Impacts	Gregory Myhr, WSDOT, Jeff Rudolph, Pierce County, and Trevin Taylor, Thurston County
<i>Vendor Presentation</i>	Albina Asphalt – Improving the Road Ahead	Andy Anderson and Tom Shamberger, Albina Fuel
11:30am - 1:00pm	Awards Banquet/FHWA	
1:00pm - 2:00pm	Compacted Concrete Pavement	Seth Walker P.E., Walla Walla County and Pete Reed, Reed Concrete Co.
	Is all data created equal? A look at pavement condition collection practices.	Greg Duncan P.E., Applied Pavement Technology
<i>Vendor Presentation</i>	Advancing Transportation Assets Preservation with StreetSaver	Jason Mabon, DevMecca, StreetSaver
2:00pm - 2:15pm	Break	
2:15pm - 3:15pm	Strategies for Repairing Wide Cracks in HMA Pavements	John Duval P.E., Pavement Services Inc.
	Smart Chip Seals	Don Newell P.E., Marion County and Tom Shamberger, Albina Asphalt
<i>Vendor Presentation</i>	In situ pavement slope and soil stabilization using geohazard mitigation technologies	Bryan Wavra, GeoStabilization International
3:15pm - 3:30pm	Break	
3:30pm - 4:30pm	Practical, Cost Effective, and Innovative Use of the Falling Weight Deflectometer	Mike Maloney P.E., GRI
	Putting the VALUE in Valuable Pavement Management Data Collection	Mike Harrell P.E., ARA
<i>Vendor Presentation</i>	Crafco Specialty Products	Greg Sharp, Crafco
Thursday, October 19, 2017		
7:00am - 9:00am	Continental Breakfast	
8:00am - 11:30am	HPMS Reporting: New performance requirements on pavement condition for local agencies with non-interstate NHS	Sui Tan, Metropolitan Transportation Commission
